

### **AMENDMENTS TO THE CLAIMS**

This listing of the claims will replace all prior versions and listings of the claims in this application.

#### **Listing of the Claims:**

1. (Original) A medicament retaining sheet for a medicament blister pack, said sheet comprising a first sheet having first and second faces and a second sheet having first and second faces, wherein the first face of the second sheet and the second face of the first sheet are opposed and bonded together and wherein the first sheet includes lines of weakness defining a plurality medicament release zones.
2. (Original) A medicament retaining sheet as claimed in Claim 1 wherein the lines of weakness defining medicament release zones comprise a plurality of perforations and/or slits.
3. (Original) A medicament retaining sheet as claimed in Claim 2 wherein the lines of weakness are formed in the first face of the first sheet.
4. (Currently amended) A medicament retaining sheet as claimed in Claim 1 or ~~Claim 2~~ wherein the lines of weakness extend from the first face of the first sheet, through the first sheet and to the second face of said first sheet in at least a portion of each individual medicament release zone.

5. (Currently amended) A medicament retaining sheet as claimed in ~~any one of claims 1 to 4~~ claim 1, wherein said medicament retaining sheet ~~which~~ comprises a laminate.

6. (Currently amended) A medicament retaining sheet as claimed in ~~any one of claims 1 to 5~~ claim 1 wherein at least portions of the second face of the second sheet are provided with a permanent adhesive.

7. (Original) A medicament retaining sheet as claimed in Claim 5 wherein the second face of the second sheet is fully coated with a permanent adhesive.

8. (Original) A medicament retaining sheet as claimed in Claim 5 wherein the second face of the second sheet is provided with no permanent adhesive in the medicament release zones.

9. (Currently amended) A medicament retaining sheet as claimed in ~~any preceding claim~~ claim 1 wherein the second sheet is formed from a metal foil or a ~~metalised~~ metallized plastics material.

10. (Currently amended) A medicament retaining sheet as claimed in ~~any preceding claim~~ claim 1 wherein the first sheet is formed from a paper material.

11. (Currently amended) A medicament retaining sheet as claimed in ~~any one of the preceding claims~~ claim 1, wherein the medicament retaining sheet is for use in the manufacture of a medicament blister pack.

12. (Currently amended) The use of a medicament retaining sheet according to ~~any one of the preceding claims~~ claim 1 in the manufacture of a medicament blister pack.

13. (Currently amended) A medicament blister pack comprising a medicament retaining sheet according to ~~any one of claims 1 to 10 above~~ claim 1.

14. (Currently amended) A blister pack as claimed in Claim 13 wherein the medicament tray comprises a ~~moulded~~ molded plastics or ~~metallised~~ metallized tray including a plurality of medicament cavities.

15. (Currently amended) A label for a medicament blister pack comprising a medicament tray having a plurality of ~~moulded~~ molded cavities or recesses each containing a medicament in the form of a capsule or tablet, said capsules or tablets being held in place by means of a retaining sheet, wherein said label has a first and second faces, said first face having an adhesive applied thereto and wherein said label includes lines of weakness defining a plurality of medicament release zones.

16. (Original) A label as claimed in Claim 15 wherein the lines of weakness defining medicament release zones comprise a plurality of perforations and/or slits.

17. (Currently amended) A label as claimed in Claim 15 ~~or Claim 16~~ wherein the lines of weakness extend from the upper surface, through the label, to the lower surface of said label in at least a portion of each individual medicament release zone.

18. (Currently amended) A label as claimed in Claim 15 ~~or Claim 16~~ wherein the lines of weakness are formed in the second face of the label.

19. (Currently amended) A label as claimed in ~~any one of claims 15 to 18~~ Claim 15 wherein at least portions of the second face of the second sheet are provided with a permanent adhesive.

20. (Currently amended) A label as claimed in ~~Claims~~ Claim 19 wherein no adhesive is applied to the first face in the medicament release zones.

21. (Currently amended) A label as claimed in ~~any one of Claims 15 to 18~~ Claim 15 wherein the first face is fully coated with a permanent adhesive.

22. (Currently amended) A label as claimed in ~~any one of Claims 15 to 21~~ Claim 15 wherein the label is formed from a paper material.
